Section 6: Declaration

I/We, being the parent/parents of or being the person/persons having parental rights in respect of the aforementioned pupil (who is hereinafter referred to as “the pupil”)

1. hereby apply for a place at St George’s for the pupil, with effect from the admission date specified;
2. have paid a non refundable application fee of £75;
3. recognise that there is no obligation on the school to offer a place at the school for the pupil and that this application is subject to St George’s admissions policy and
4. authorise the pupil’s current school to (a) confirm to the school whether all fees in respect of the pupil have been paid to that current school and (b) disclose to St George’s information on the pupil (e.g. academic report and pupil profile) and authorise St George’s to disclose this application and authorisation to the current school.

If the school offers a place for the pupil, then the offer shall be deemed to have been declined and refused if an acceptance has not been received by us within the time stipulated in the offer.

A deposit of £300 should be paid as a final entry fee when the offer of a place is confirmed. Deposits will be offset against the pupil’s account for the final term.

Parents who are not UK nationals and/or who are not domiciled in the UK are required to pay a deposit of £3000 when a boarding place is accepted.

If there are any circumstances (including any disability or medical condition) which might require the pupil to be given special assistance at the school or of which you think the school should be aware, please give details to the school in a separate letter to accompany this form.

The placement of pupils is at the discretion of the Head.

A minimum of one term’s notice of withdrawal from the school is required in writing to the Head. When one term’s notice of withdrawal from the school is not given, payment for the next term will be required in lieu of notice. No return of fees is made in case of absence during part of a term.
