Section 5: Declaration

I/We, being the parent/parents of or being the person/persons having parental rights in respect of the above named pupil (who is hereinafter referred to as “the pupil”)

1. hereby apply for a place at St George’s for the pupil, and for the pupil to become a pupil at the school with effect from the admission date specified;
2. enclose a non refundable application fee of £75 in respect of the receipt and consideration of this application by the school
3. recognise that there is no obligation on the school to offer a place at the school for the pupil or to accept the pupil as a pupil of the school and that this application is subject to any admissions policy which the school may from time to time have; and
4. authorise the pupil’s current school name above to (a) confirm to the school whether all fees in respect of the pupil have been paid to that current school and (b) disclose to the school information on the pupil (eg. academic report and pupil profile), and authorise the school to disclose this application and authorisation to the current school.

If the school offers a place at the school for the pupil, then the offer shall be deemed to have been declined and refused if it is not accepted by us within the time stipulated in the offer.

If there are any circumstances (including any disability or medical condition) which might require the pupil to be given special assistance at the school or of which you think the school should be aware, please give details to the school in a separate letter to accompany this form.

The placement of pupils is at the discretion of the Head.

When one term’s notice of withdrawal from the school is not given, payment for the next term will be required. No return of fees is made in case of absence during part of a term.
