

# The Bursary Fund

We hope you may wish to contribute to our bursary fund, which helps to support new students from families on lower incomes and current students who face financial difficulties. In these uncertain times, we can never be sure who may need financial help. It is also important that the school provide bursary money so that it may keep its charitable status, which will help to ensure St George's future success, whatever the economy's ups and downs.

Bursaries will facilitate access for students who otherwise would not be able to benefit from the opportunities offered at St George's.

This is an opportunity for all members of the St George's school community, past and present, to support the Bursary Fund.

I would like to support the Bursary Fund with a donation in the sum of £ .....

I enclose a cheque for £ ..... made payable to **St George's School for Girls**.
