APPOINTMENTS NOW LIVE!

Appointments **NOW LIVE**

To keep both our staff and customers safe, our branches will be operating on an appointment only basis this summer. Appointments are recommended for **new starters only** and can now be booked online for an instore fitting.

To help schools and their parents we have allocated a recommended appointment window for your school, which is **Monday 20th July until Sunday 26th July**.

Please, where possible, book during this window. Our online store will be operating as normal but we highly recommend new starters visit our branch.

Online orders must be placed by July 17th for new starters.

Keeping you updated

With the current lockdown, retail restrictions and social distancing likely to have a significant impact in the flow of customers through our retail branches over the summer, we are having to revise our operations to maintain a smooth customer service experience. So we can update you on these changes it is important that we ask you register on our website so we can communicate these once we are in a position to reopen.

Unrivalled 120 day returns policy

Our industry-leading 120 day returns policy means you can purchase now and still be able to exchange unused garments if your child has a sudden growth spurt before the start of school.
